WELCOME TO THE 50th ANNUAL BROOKINGS SUMMER ARTS FESTIVAL!

ENTERTAINMENT

The Everett Smithson Band. The Everett Smithson Band's Music of the Mississippi Show is like a musical journey from the headwaters of the Mississippi to New Orleans. You will hear an upbeat show with songs ranging from obscure gems to well crafted originals. A very eclectic mix of Americana which includes Zydeco, blues, soul, Texmex and more... Eighteen years together, the band has played thousands of shows and toured the Midwest. The star of the show on vocals, accordions and more is Kathleen (the Zydeco Queen) Smithson. Everett Smithson - vocals, harmonicas, rubboard and jawharp. Jeremy Johnson - guitars. Bill Black - upright bass. Victor Spann - drums. Audience participation and education are a part of an Everett Smithson band performance. Kids, join the band for a Blues harmonica session on the children's stage. Lessons will include: songs, diagrams, literature and free harmonicas. Harmonica lessons are sponsored by The Minnesota Blues Society. everettsmithson.com

The Everett Smithson Band

Blame Not the Bard. Blame Not the Bard is on a mission: to bring the stories of Ireland alive...and to have fun doing it. Described as "Iowa Raised, Ireland Rooted," Blame Not the Bard is a high-energy trio determined to get your feet moving and hands clapping. With equal measures of instrumental prowess and historical knowledge, Blame Not the Bard entertains audiences with songs, stories, jigs and reels. Armed with Irish song, stories, and fiddling, Blame Not the Bard will bring you down-to-earth entertainment you won't soon forget! blamenotthebard.com

Blame Not the Bard

Root River Jam. Root River Jam is an acoustic group based in southeast Minnesota. Their original music includes styles from folk, country, rock, blues, Celtic, and jazz. Singer/ guitarist Dave Wilson melds his life experiences into song. His band of "Jammers" includes. Upright bass: Blake Bonde, who adds a variety of style and nuance to the bands sound. Drums: Miles Johnston, playing with finesse and dynamic ability. He gives the music life and breath. Fiddle: Charlie Burket, YES, that's right we have a fiddle player named Charlie and you are in for a treat. This attendee of Berklee School of music has been playing fiddle since age 6. Audiences are drawn to their sound and instantly connect with expressive melodies, improvisation, and interaction. Recalling the "jams" of the past and renewing the dreams of the future! rootriverjam.com

The SoDa Girls. The SoDa Girls are two friends who share a love for Jesus and everything vintage – especially music! With vocals, ukulele, and piano, they perform Oldies from the 40s – 60s, as well as Gospel music. They have been performing around the Clear Lake, SD area for the past 4 years! facebook.com/emma.and.becca

Wailing Loons

Wailing Loons. Wailing Loons create Music for Good, driven by a mission of writing and performing music that reflects and transforms society. Wailing Loons are Dan Wilder on guitar, banjo and vocals, Emilie Hitch on vocals, Ric Lee on fiddle, Matthew Marshall on drums, Laura Fritz on the clogging board and Derek Callender on electric guitar. The Loons are coming out of our COVID hibernation in 2021 with our first shows in a while and a brand new album! We cannot wait to see ya'll again whether it be at Minneapolis Music in the Parks, Bonnaroo 2021 or all the spaces in between! Wailing Loons released their debut mini-LP "Fire in the Cold" in April of 2016. The Loons are releasing their first full length studio album in the summer of 2021. Here's to building a stronger community through music together! wailingloons.com

Phil Baker. For over 30 years, Phil Baker has used music to educate, entertain, and enrich the lives of young people. Phil Baker is one of the most innovative and respected songwriters shaping children's music today. Known for his signature style - a red guitar, heartfelt lyrics, catchy tunes, and quality musicianship and production - Baker involves the children throughout his show. He has dedicated his life to strengthening communities through music and performance and has made an indelible mark on South Dakota's music scene as well as its cultural landscape. His dynamic presentations tap the potential of today's youth, inviting them to make a difference in their families, schools, and communities, while his infectious ability to connect with an audience through songs and activities leaves young people with the impression they can help make the world a better place. South Dakota Arts Council support is provided with funds from the State of South Dakota, through the Department of Tourism, and the National Endowment for the Arts. philbakermusic.com

LIVING HISTORY AREA

The festival started in 1972 with a pioneer theme because of its location, and this area has become a mainstay of the BSAF. In 1976, as part of the National Bicentennial Celebration, a special area was set aside for historic traders and a muzzleloader target shoot. In 1984, the target shooting stopped and frontier crafts became the main attraction of the Living History Area.

The Brookings Renegade Muzzleloaders Club will be manning the main gate and guiding the parking for the valid handicapped vehicles. The Silver Creek Mavericks will greet exhibitors at the West gate to direct them to their parking areas and assist with large parcel pick-up. The 13th U.S. Infantry/Fort Dakota will hold a brief flag raising ceremony in front of the Bandshell both Saturday and Sunday at 10am.

Quincy Flint. Gainesville based independent musician, Quincy Allen Flint, began writing original music in March of 2020 during self-isolation at the start of the COVID19 pandemic. He has composed original songs ranging in style from Conventional American Folk, Classic Country Western, to Melodic Piedmont Blues and Talkin' Blues. Quincy writes fantastically forlorn folk music in hopes of one day writing the perfect song. His music frequently draws on imagery from nature and reflects on the trials and trivialities of the human experience. quincyalenflint.com

Quincy Flint

Curtis & Loretta. Curtis & Loretta's music comes straight from the heart. The husband and wife duo's extraordinary harmonies and proficiency on a parade of stringed instruments create an alluring frame for their poignant original songs, and carefully chosen traditional pieces from the British Isles, America, and beyond. The current menagerie includes Celtic harp, mandocello, mandolin, guitars, clawhammer banjo, and National steel ukulele. South Dakota Arts Council support is provided with funds from the State of South Dakota, through the Department of Tourism, and the National Endowment for the Arts. curtisandloretta.com

Peter Brunette Juggler

Peter Brunette Juggler. Entertaining thousands of children and adults in more than twenty years of performing, Peter Brunette is a dynamic, passionate performer. Peter fell in love with juggling at the tender age of five after seeing his father juggle three balls. He has described this as the most impactful moment of his life; even more important than when he first discovered velcro shoelaces. He learned to juggle in elementary school and never looked back. Peter is currently based in Omaha, Nebraska and juggling full time. He has made a name for himself as Nebraska's top juggler with signature tricks like blindfold knife juggling on a rolla bolla. His impressive skills and hilarious juggling shows have brought him national attention and performances throughout the country as well as at Omaha's top venues. jugglerpeter.com

Brookings Area Community Band. The BACB has, since 1984, been playing Sunday evening concerts during the summer months at Pioneer Park at 7:30 pm. BROOKINGS SUMMER ARTS FESTIVAL 2021 COMMITTEE MEMBERS

Coming from all different walks of life, the committee members of the Brookings Summer Arts Festival all have one thing in common: the desire to create the finest arts festival in the state of South Dakota. Each year, the thirty to forty volunteers come together once a month to plan and design a weekend of art, food and entertainment for the thousands of people who attend the annual event each year. It takes a diverse group of volunteers to put the festival together, and we could use your help. Please contact us at generalinfo@bsaf.com or (605) 692-2787 with any questions and for meeting times.
