

2022 Covid-19 Update Statement – [Click here for more Information](#)

We are delighted to be planning and organizing the Brookings Summer Arts Festival as scheduled on July 9 & 10, 2022. Our committee members will continue to closely monitor all local, state and federal guidelines regarding COVID-19. In the event that public health or safety is still in question, we will make necessary adjustments. The BSAF committee would never ask anyone to attend an event that is not safe.
