LIVING HISTORY AREA

The festival started in 1972 with a pioneer theme because of its location, and this area has become a mainstay of the BSAF. In 1976, as part of the National Bicentennial Celebration, a special area was set aside for historic traders and a muzzleloader target shoot. In 1984, the target shooting stopped and frontier crafts became the main attraction of the Living History Area.

The Brookings Renegade Muzzleloaders Club will be manning the main gate and guiding the parking for the valid handicapped vehicles. The Silver Creek Mavericks will greet exhibitors at the West gate to direct them to their parking areas and assist with large parcel pick-up. The 13th U.S. Infantry/Fort Dakota will hold a brief flag raising ceremony in front of the Bandshell both Saturday and Sunday at 10am.

2022 BSAF ENTERTAINMENT

Curtis & Loretta. Curtis & Loretta's music comes straight from the heart. The husband and wife duo's extraordinary harmonies and proficiency on a parade of stringed instruments create an alluring frame for their poignant original songs, and carefully chosen traditional pieces from the British Isles, America, and beyond. The current menagerie includes Celtic harp, mandocello, mandolin, guitars, clawhammer banjo, and National steel ukulele. South Dakota Arts Council support is provided with funds from the State of South Dakota, through the Department of Tourism, and the National Endowment for the Arts. curtisandloretta.com

Paul Imholte. If it has strings, Paul Imholte probably plays it. Paul performs traditional and original music on nearly a dozen string instruments. Raised in central Minnesota, his music portrays both historical American themes and contemporary Midwestern life. Paul's featured instrument is the hammered dulcimer. In shows for children and families, Paul combines both traditional American folk songs with original songs. He encourages the audience to join in by singing along and by doing somewhat silly movements to songs. As a stroller, Paul fills a cart full of instruments and performs across the festival grounds. His artistry is based on his love for acoustical string instruments and sharing that passion with audiences. paulimholte.com

Brookings Area Community Band. The BACB has, since 1984, been playing Sunday evening concerts during the summer months at Pioneer Park at 7:30 pm. The 100 member band, directed by Dr. David Reynolds, presents themed concerts. Each concert provides a variety of music and family fun including complimentary treats and featuring a children's march.

Brookings Public Library. Come by for story time with Katherine Eberline from the Brookings Public Library. She will have fun and interactive stories for the audience. brookingslibrary.org

Gold Medal Gymnastics & Universal Cheer. Local gymnasts will dazzle you with a tumbling and gymnastics demonstration. The students will show you their many talents. goldmedalgymmsd.com

Richard (Dick) Kapusta. This singer, songwriter and storyteller has performed all around the country. His flute and vocal music themes deal with people, land and life.

BROOKINGS SUMMER ARTS FESTIVAL 2022 COMMITTEE MEMBERS

Coming from all different walks of life, the committee members of the Brookings Summer Arts Festival all have one thing in common: the desire to create the finest arts festival in the state of South Dakota. Each year, the thirty to forty volunteers come together once a month to plan and design a weekend of art, food and entertainment for the thousands of people who attend the annual event each year. It takes a diverse group of volunteers to put the festival together, and we could use your help. Please contact us at generalinfo@bsaf.com or (605) 692-2787 with any questions and for meeting times.
