The festival started in 1972 with a pioneer theme because of its location, and this area has become a mainstay of the BSAF. In 1976, as part of the National Bicentennial Celebration, a special area was set aside for historic traders and a muzzleloader target shoot. In 1984, the target shooting stopped and frontier crafts became the main attraction of the Living History Area.

The Brookings Renegade Muzzleloaders Club will be manning the main gate and guiding the parking for the valid handicapped vehicles. The Silver Creek Mavericks will greet exhibitors at the West gate to direct them to their parking areas and assist with large parcel pick-up. The 13th U.S. Infantry/Fort Dakota will hold a brief flag raising ceremony in front of the Bandshell both Saturday and Sunday at 10am.

Paul Imholte. If it has strings, Paul Imholte probably plays it. Paul performs traditional and original music on nearly a dozen string instruments. Raised in central Minnesota, his music portrays both historical American themes and contemporary Midwestern life. Paul's featured instrument is the hammered dulcimer. In shows for children and families, Paul combines both traditional American folk songs with original songs. He encourages the audience to join in by singing along and by doing somewhat silly movements to songs. As a stroller, Paul fills a cart full of instruments and performs across the festival grounds. His artistry is based on his love for acoustical string instruments and sharing that passion with audiences. paulimholte.com

Curtis & Loretta. Curtis & Loretta's music comes straight from the heart. The husband and wife duo's extraordinary harmonies and proficiency on a parade of stringed instruments create an alluring frame for their poignant original songs, and carefully chosen traditional pieces from the British Isles, America, and beyond. The current menagerie includes Celtic harp, mandocello, mandolin, guitars, clawhammer banjo, and National steel ukulele. South Dakota Arts Council support is provided with funds from the State of South Dakota, through the Department of Tourism, and the National Endowment for the Arts. curtisandloretta.com

Brookings Area Community Band. The BACB has, since 1984, been playing Sunday evening concerts during the summer months at Pioneer Park at 7:30 pm. The 100 member band, directed by Dr. David Reynolds, presents themed concerts. Each concert provides a variety of music and family fun including complimentary treats and featuring a children's march.
