All artists interested in participating in the 2026 BSAF must submit an application, jury fee, three (3) jury images of their work, and booth fee(s). Artists accepted from previous years are NOT automatically accepted into the 2026 BSAF.

The BSAF volunteers are planning and organizing the Brookings Summer Arts Festival as scheduled on July 11 & 12, 2026. Our committee will comply with all local, state and federal guidelines regarding public health or safety.

Criteria

Participation is open to artists and fine craftspeople who produce visual works, art, or craft of original concept, design, and execution. The Brookings Summer Arts Festival is a juried event. The jury images submitted must accurately represent the body of the artist's work to be exhibited at the festival. **Only the type of art or craft shown in jury images can be sold.** Artists must be present during the festival. No agents or representatives will be allowed without the presence of the artist. Photo I.D. may be requested.

Two artists may share one booth space. EACH artist MUST submit an application, 3 images of their work and jury fee. BOTH artists must be accepted in order to qualify for a shared booth space.

Only original artwork created and presented by the exhibitor is acceptable. Reproductions of original artwork and/or prints may be sold but must not comprise the entire booth. Work produced from commercial kits, prefabricated forms, mass-produced items, imports, pre-assembled jewelry, consigned or items deemed inappropriate by the committee are not permitted. The majority of each original piece must be of handmade components. Any commercially produced parts must play a subordinate role. No ready-made, resale or wholesale items (buy/sell) are allowed. No artwork from molds, kits, or other commercial methods is allowed.

No use of licensed commercial / sports team logos or products that represent the copyrighted intellectual property of another individual, corporation or entity without written permission.

Jury Process

All artists will be juried based on the basic criteria of: ORIGINALITY, CREATIVITY, MASTERY LEVEL, CRAFTSMANSHIP, and SKILLFULL USE OF MATERIALS. This process is not negotiable and will not be compromised due to an artist's past involvement. Each year the jury process determines the invited artists. The top percent of all applicants are accepted to the BSAF.

- ❖ Applications must be postmarked no later than March 1, 2026.
- ❖ Any artist submitting an application after March 1 will be asked to also send a late check of \$25.
- ❖ Jury checks will be deposited immediately after jurying.
- ❖ Notification of jurors' decisions will be mailed by April 15, 2026
