WELCOME TO THE 55TH ANNUAL BROOKINGS SUMMER ARTS FESTIVAL

ENTERTAINMENT

COCOON. COCOON formed in 1969 when five Brookings High School students created a rock-and-roll cover band after playing together since seventh grade. The band features Eric Wilson Adams (lead vocals), Lyle Behrend (drums), Mike Barnes (rhythm guitar), Dean Volmer (lead guitar), and Keith Johnson filling in for original bassist Tom Barnes. Original keyboardist Wayne Myers passed away in 2025 and is succeeded by John Mogen of Sioux Falls, a longtime member of Mogen's Heroes and former president of the South Dakota Rock Hall of Fame board. COCOON performed throughout South Dakota and Minnesota at armories, ballrooms, bars, proms, sock hops, Brookings favorites such as Horatio's, and regional venues like the Showboat Ballroom in Lake Benton, Minnesota and the Roof Garden at Lake Okoboji. COCOON was inducted into the South Dakota Rock Hall of Fame in 2018 and is thrilled to return to the Brookings Summer Arts Festival.

COCOON

THE TOASTED PONIES. The Toasted Ponies combine the best of both traditional and contemporary Bluegrass music. Look for great harmony singing and hot instrumentals in a typical Ponies performance. These musicians are seasoned professionals who love playing their music and it shows. They will play everyone's Bluegrass favorites along with a fun mix of Cajun, Western Swing, Gospel and Celtic tunes just to keep things interesting. The Ponies are equally at home on a formal concert stage or at a barn party, county fair or community picnic. Just try seeing the Ponies show without tapping your toes — it can't be done!

THE TOASTED PONIES

MARV & KAAT. Marv & Kaat is the dynamic collaboration of veteran singer/songwriter and multi-instrumentalist Marv Gohman and rising talent Kaatwalk, a powerhouse vocalist, songwriter and gifted guitarist. Their live show is an immersive musical journey—featuring soulful, commanding vocals, rich harmonies, and a genre-blending sound that touches on folk rock, Americana, and beyond. Between them, they weave layers of texture using violin, harmonica, mandolin, and a wide array of guitars. Call it what you will—their music speaks for itself.

MARV & KAAT

FUNK-UH-FRIED. Diving deep into the world of groove and beats, Funk-UH-Fried embodies the essence of unfiltered funk. This talented ensemble brings an infectious energy that lights up every room. Their music is a fusion of old-school funk and modern soul, delivering heartfelt covers that pay homage to the classics from Earth, Wind and Fire, Kool and the Gang, Michael Jackson, Prince, Bruno Mars and more. With irresistible basslines, a dynamic horn section, and magnetic stage presence, Funk-UH-Fried turns every performance into a dance party. Adding a touch of nostalgia, the band also hosts retro nights where they dress in 70's costumes, bringing the funky vibes of the past to the present. Get ready to let loose, move to the rhythm, and get funky with Funk-UH-Fried.

THE LUCAS OLSON TRIO

THE LUCAS OLSON TRIO. The Lucas Olson Trio is an R&B/Soul band from Spearfish, South Dakota. The group was created in 2020, during their time as music students at Black Hills State University. They have since become a local favorite within the Black Hills music scene, and will be making their East River debut at the Brookings Summer Arts Festival. Their sound is a fusion of influences from Stevie Wonder, Marvin Gaye, and other Motown greats.

LIVING HISTORY AREA

The festival started in 1972 with a pioneer theme because of its location, and this area has become a mainstay of the BSAF. In 1976, as part of the National Bicentennial Celebration, a special area was set aside for historic traders and a muzzleloader target shoot. In 1984, the target shooting stopped and frontier crafts became the main attraction of the Living History Area. The Brookings Renegade Muzzleloaders Club will be manning the East gate and guiding the parking for the valid handicapped vehicles. The Silver Creek Mavericks will greet exhibitors at the West gate to direct them to their parking areas and assist with large parcel pick-up. The 13th U.S. Infantry/Fort Dakota will hold a brief flag raising ceremony in front of the Bandshell both Saturday and Sunday at 10am.

DOUBLE-O FORTY FOURS. The Double-O Forty Fours are a group of like-minded individuals who come together to celebrate bluegrass and traditional stringed instrument music. With over 100 years of combined performance experience, this high energy ensemble brings a foot tapping, knee slapping smile to audiences throughout the region. If you enjoy music peppered with lightning breaks, beautiful harmonies, and that high and lonesome, Nashville sound, you won't want to miss a note from the Double-O Forty Fours!

BRASS HOLES. The Brass Holes are a unique and baffling blend of Brass Band and Rock & Roll bravado based in Sioux Falls. Although we play a traditional rock-music lineup of well-known hits, the band is completely made up of brass horns – typically four trumpets, two or three trombones, a euphonium, a sousaphone and drums. We offer a funky take on classic rock songs along with a healthy dose of audience participation and a good deal of witty banter. The Brass Holes regularly play several venues in Sioux Falls and the surrounding area. brassholesf.com

PHIL BAKER. For over 30 years, Phil Baker has used music to educate, entertain, and enrich the lives of young people. Phil Baker is one of the most innovative and respected songwriters shaping children's music today. Known for his signature style - a red guitar, heartfelt lyrics, catchy tunes, and quality musicianship and production - Baker involves the children throughout his show. He has dedicated his life to strengthening communities through music and performance and has made an indelible mark on South Dakota's music scene as well as its cultural landscape. His dynamic presentations tap the potential of today's youth, inviting them to make a difference in their families, schools, and communities, while his infectious ability to connect with an audience through songs and activities leaves young people with the impression they can help make the world a better place. philbakermusic.com

ERIC HOLM. Eric Holm is an artist and teacher from Brookings who works in theater, music, and movies. He has released three recordings of original songs, including his recent self-produced second album 'Radical Queer Country Music.' Inspired by Emmylou Harris, Willie Nelson, and Joni Mitchell (among many others!), Holm tries to write songs that are personal and political at once. He also teaches theater and film at the college level, and is currently in post-production for his first feature film Miles & Sadie which he wrote and directed in collaboration with his brother Preston Holm.

HOMETOWN HONEYS. Emily Kropuenske and Annie Denison first formed the Hometown Honeys in 2023. Whenever they would watch live music, Emily's mom (Mary Ford) would always insist, "You guys should be up there doing that." So, they did. Emily and Annie have been best friends for over 10 years, which is evident in their compatibility and humor on stage. Their genre includes a folk-inspired take on modern country, classic oldies, and even rock. The "hometown" to the Hometown Honeys is Bruce, SD.

PRAIRIE REPERTORY THEATRE. Be transported to a world of enchantment with stunning costumes, captivating music, and unforgettable performances. South Dakota State University's own summer stock company brings you a preview of this summer's performance of "Frozen." prairierep.org

BROOKINGS AREA COMMUNITY BAND. The BACB has, since 1984, been playing Sunday evening concerts during the summer months at Pioneer Park at 7:30 pm. The 100-member band, directed by Dr. David Reynolds, presents themed concerts that provide a variety of music and family fun including complimentary treats.

BROOKINGS PUBLIC LIBRARY. Come by for story time with Katherine Eberline from the Brookings Public Library. She will have fun and interactive stories for the audience. brookingslibrary.org
